This year Ghost Talk is more than listening to stories, but an experience. Patrons will come visit several ghosts in and around the historical theater on a walking tour to listen to bone-chilling tales of the dead. Ghost Talk is a compilation of frightening stories from around Yavapai County and beyond. The accounts vary from a fictional writing out of the imagination of a budding creative playwright to a factual

interpretation based-on authentic events and people from historians.

You get to decide what is real and what is a creepy trick.

There will be spooky surprises, interactive encounters, and a new understanding of the legends that shape the horror, science fiction, and thriller genres we have today.

Best of all Ghost Talk the Experience is before Dracula. You can come to both!

Tickets are only \$10 and \$8 (with a Dracula ticket) at www.pca-az.net.

Mature Content, not recommended for children 12 and under.

Cash and In-Kind Donations Appreciated.
